SUSAN J. BLACKSTON
City Clerk

CITY OF LODI

May 1, 2002

FIREFIGHTER I/II

DEFINITION

Under supervision, participates in firefighting, emergency medical services and fire prevention activities; operates and maintains fire apparatus; performs various fire support assignments; performs related work as required.

DISTINGUISHING CHARACTERISTICS

Firefighter I – This is the entry level for the Firefighter class series. Under close supervision, learns and performs a variety of firefighting assignments. With training and experience, the work becomes more diversified and difficult. This class is flexibly staffed with Firefighter II, and incumbents are expected to progress to the higher level after successfully completing a one year probationary period and the Lodi Fire Department Firefighter I Certification which demonstrates proficiency to meet the qualifications of Firefighter II.

Firefighter II – This is the full working level class in fire suppression, performing all duties required to effectively respond to emergency fire suppression and basic life support medical situations. Incumbents perform a wide range of fire fighting and fire support duties. This class is flexibly staffed with Fire Engineer, and incumbents may progress to the higher level after successfully completing three years of service with the Lodi Fire Department, and the Lodi Fire Department Fire Engineer Certification which demonstrates proficiency to meet the qualifications of Fire Engineer.

EXAMPLES OF DUTIES

Duties may include, but are not limited to the following:

- Responds to fire alarms and operates fire equipment and apparatus; connects and lays fire hose lines connecting to hydrants and between engines; controls and extinguishes fires.
- Raises and lowers ladders during firefighting operations.
- Uses various hand and power tools to obtain entry to buildings, assists trapped victims, and provides ventilation.
- Assists in clean-up, salvage and overhaul operations.
- Performs regularly scheduled maintenance on apparatus, hoses and equipment to ensure readiness; cleans fire station & equipment.
- Participates in public relations and public education programs.
- Provides first responder medical emergency response at the basic life support level, including cardio-pulmonary resuscitation and trauma emergency medical care.
- Participates in staff support assignments which may include fire prevention, inspection, maintenance of inventory records, inspection of departmental equipment, and investigations.

- Uses firefighting and chemical safety apparel and equipment, including turnout gear, helmets, hoods, and self-contained breathing apparatus;
- Creates and completes a variety of Fire Reports;
- Operates personal computer, related software and peripheral equipment;
- Performs other related duties as required.

MINIMUM QUALIFICATIONS:

Knowledge of:

- Rules, policies and procedures governing the Lodi Fire Department.
- Firefighting methods, techniques and equipment.
- Operation and maintenance practices and methods for a variety of fire apparatus and equipment.
- Safety practices and precautions pertaining to the work.
